Dear Sir:

It has come to our attention that Assignments for the above-identified patents and applications, recorded with the Assignment Branch to the Patent and Trademark Office, incorrectly designate the

Assignee's name as New York Medical Center. A newly-executed Assignment correctly designating the name of the Assignee as New York University, with an attached Schedule A listing for the above-identified patents and applications, is enclosed with a check for \$240.00, and authorization is hereby granted to charge any additional fees due to Deposit Account No. 08-0380. A copy of this letter is enclosed for accounting purposes.

Respectfully submitted,

HAMILTON, BROOK, SMITH & REYNOLDS, P.C.

Multi-JointASSIGNMENT

WHEREAS, we, Junming Le and Jan Vilcek, have, together with co-inventors Peter Daddona, John Ghrayeb, David M. Knight and Scott A. Seigel, invented improvements described in the United States Letters Patents and applications for United States Letters Patent attached hereto and made a part hereof as Schedule A (hereinafter "PATENTS AND APPLICATIONS"); and

WHEREAS, New York University (hereinafter "ASSIGNEE"), a corporation organized and existing under the laws of the State of New York, and having a usual place of business at 550 First Avenue, New York, New York 10016 has acquired an interest therein in accordance with agreements duly entered into with us;

NOW, THEREFORE, to all whom it may concern be it known that for and in consideration of said agreements and of other good and valuable consideration, the receipt of which is hereby acknowledged, we have sold, assigned and transferred and by these presents do hereby sell, assign and transfer unto said ASSIGNEE, its successors, assigns and legal representatives, the entire right, title and interest in and throughout the United States of America, its territories and all foreign countries, in and to said inventions as described in said PATENTS AND APPLICATIONS, together with the entire right, title and interest in and to said PATENTS AND APPLICATIONS and such Letters Patents as may issue on said applications; said inventions, said PATENTS AND APPLICATIONS, and such Letters Patents to be held and enjoyed by said ASSIGNEE for its own use and behalf and for its successors, assigns and legal representatives, to the full end of the term for which said Letters Patents may be granted as fully and entirely as the same would have been held by us had these assignments and sales not been made; we hereby convey all rights arising under or pursuant to any and all international agreements, treaties or laws relating to the protection of industrial property by filing any such applications for Letters Patents. We hereby acknowledge that this assignment, being of the entire right, title and interest in and to said inventions, carries with it the right in ASSIGNEE to apply for and obtain from competent authorities in all countries of the world any and all Letters Patents by attorneys and agents of ASSIGNEE's selection and the right to procure the grant of all such Letters Patents to ASSIGNEE for its own name as assignee of the entire right, title and interest therein;

AND, we hereby further agree for ourselves and our executors and administrators to execute upon request any other lawful documents and likewise to perform any other lawful acts which may be deemed necessary to secure fully the aforesaid inventions to said ASSIGNEE, its successors, assigns and legal representatives, but at its or their expense and charges, including the execution of applications for patents in foreign countries, and the execution of substitution, reissue, divisional or continuation applications and preliminary or other statements and the giving of testimony in any interference or other proceeding in which said inventions or any application or patent directed thereto may be involved;

AND, we do hereby authorize and request the Commissioner of Patents of the United States to issue such Letters Patents as shall be granted upon said application or applications based thereon to said ASSIGNEE, its successors, assigns, and legal representatives.
